Subject: Notes from 3-25-20 Meeting on Irving Permit
Date: Wednesday, April 01, 2020 12:05:56 PM

Hi all. Just a quick follow-up to the meeting Shauna, Damien & I had last Weds. to go over my 3/17 comments on the Irving Fact Sheet:

-Recommended sending the EJ section to EPA EJ contact now for updating / drafting (as references in model are dated).

-PFAS section still on hold.

-Discussed **Ex. 5 - Att'y-Client; Delib. Process**

[REDACTED]

-Recommend **Ex. 5 - Attorney-Client; Deliberative Process**

[REDACTED]

-I'll review the Irving permit.

-I understand that we don't review SWPPPs, but do we have an electronic version? I'd like to look at. Should we set up another meeting to check in?

Thanks.

I'm reachable at **Ex. 6 - Privacy**
